PRODUCT DIMENSIONS (height x width x depth)	57 x 482 x 217 mm 2.24 x 18.98 x 8.54 in

MOUNTING INSTRUCTIONS

1. To install the power supply, put the zip ties through the designated holes, place the power supply on the rack between the zip ties and tighten firmly.
2. Place your Dell backwards on the rack with the connections facing the front.
3. Fix the Dell with the 2 bolts on the bottom of the rack and tighten them lightly.
4. Connect the USB cable from your Dell appliance to the USB connector.
5. Lead the low voltage power cable through the large hole towards the front of the rack and connect it to the power inlet.
6. Tie the excess length of the power cable down with the 3rd zip tie.
7. Place your Dell-Rack in your 19 inch rack.

Please ensure proper ventilation according to the network appliance manufacturer guidelines.
