MOUNTING INSTRUCTIONS

1. Place up to two Unify appliances from the back through the opening of the rack.
2. Optional: remove 1 front plate by applying force on the front side of the rack until the upperside comes loose. Now move the plate in both directions in quick succession until the front plate breaks from its carrier.
3. Place the appliance on the rack. Slightly push up the tab to slide the appliance over it. You can watch the install video on the install guide page for instructions.
4. Place up to two power supplies on the rack and fix it with two zipties each.
5. Plug in the power cord and secure the cable with another zip tie on the rack (detail 1).
6. Tie the excess length of the power cords down with a ziptie each.
7. Place your UB-Rack in your 19 inch rack.
